LIBRARY PUBLICATIONS

- ✓ *The Bibliographical Bulletin*
(publications currently acquired by the library – biannual issues);
- ✓ *An Index of Doctoral Dissertations* (ASE Phd dissertations, annual issues).

DATABASES

ASE Library provides access from campus (IP) to online databases: **Jstor** (journals), **ProQuest Ebrary** (ebooks), **ScienceDirect** (ebooks), **Emerald** (ebooks), **SpringerLink** (ebooks), **Thomson Reuters Eikon** (statistical data, financial data, market research etc.), **Bloomberg Finance** (statistical and financial data, forecasts etc.).

Within *Anelis Plus* 2020 project users will have access to scientific and bibliographical databases and ebooks (*access from campus – IP and off campus through Mobile access service*):

ScienceDirect Freedom Collection, ProQuest Central, Emerald Management, Clarivate Analytics (Thomson ISI), Scopus and ScienceDirect Ebooks Freedom Collection. For details check our website – *Resources*.

Other e-resources: *Course, handbooks and journals edited by ASE; Abstracts of doctoral dissertations; Periodicals edited by ASE.*

CONDITIONS OF ACCESS

Access in the library for *specific users* (students, professors, staff) or *external users* is permitted with a **library card**.

External users pay a tax for the library card (room 0216).

Library card is compulsory for every library service: reading-room, loan, references, access databases etc.

OPENING HOURS

Monday-Friday: 08.30-20.30

For up-to-date program check library website.
